ORDER

MODIFICATION OF CODE OF FAIR COMPETITION FOR THE BITUMINOUS COAL INDUSTRY

It having been established to my satisfaction that it is necessary to modify the basic minimum rates of pay for day labor in certain mines in District G of the Bituminous Coal Industry established by my Order of April 22, 1934, modifying and affirming Amendment No. 1 of the Code of Fair Competition for the Bituminous Coal Industry as set forth in "New Schedule A" annexed thereto, and to prescribe certain rules affecting sales from Districts G and H; and it appearing to me that justice requires that the modification herein effected be made and that Amendment No. 2 of April 22, 1934, as so modified shall be in all respects affirmed and as so modified will tend to effectuate the policies of Title I of the National Recovery Act;

Pursuant to the authority reserved to me under said Order and otherwise vested in me under said Title of said Act by Executive Orders of the President, and otherwise, it is hereby ordered that that portion of said "New Schedule A" which is applicable to said District G be and it hereby is modified so that it shall read as follows:

District G—Basic minimum rates

	Minimum inside, skilled labor		Minimum outside, common labor	
	Per day	Per hour	Per day	Per hour
Missouri, Kansas, Arkansas, and Oklahoma, except shaft, drift, or slope mines in those States.....	4.35	0.62½¢	3.75	0.59½¢
Shaft, drift, and slope mines in Missouri, Kansas, Arkansas, and Oklahoma.....	4.00	.57½¢	3.53	.56½¢

FURTHER ORDERED that, in view of the differentials accorded District G, and in view of the situation existing in District H, pending further order there shall be no sales by operators of said Districts into the normal consuming markets of another District

which is subject to higher rates of pay, at any prices for coal of comparable grade and quality, less than the price for such coal in said market charged by such other District, and there shall be no destructive invasion of such other consuming markets and, in the absence of satisfactory agreements governing this matter, the determination of the Administrator on complaint of any such destructive invasion shall be conclusive;

FURTHER ORDERED that a study shall be made by the Coal Research Unit of the Research and Planning Division and a report submitted to the Administrator with recommendations for such further changes as may appear desirable. This order to become effective on June 11, 1934 unless just cause to the contrary shall be shown prior to said date and I by my further order otherwise determine.
